## Monthly Newsletter

**New! TimeLiner XE**, Coming August 2008!

Gather, organize, and present sequential information across the curriculum.

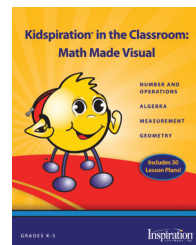

TimeLiner XE is a **revolutionary new program** to help students find order in information through timelines and sequences— providing structure for better understanding across the curriculum.

- All-in-one software tool for researching, organizing, and presenting information across the curriculum.
- Library of start-to-finish sequencing and research projects that build 21st-century thinking skills and align to state standards.
- Built-in research browser for guided, online information gathering.
- Organize data or events on a timeline, sequence, or cycle in just minutes!

### Major New Features:

- Integrated web browser available instantly
- Ability to add Citations to events
- Ability to create horizontal, vertical, and circular sequences
- Brainstorming Area to brainstorm ideas before creating sequence
- Searchable Image Library
- Save as PDF
- Makes files sharable
- Spell check

**New! Kidspiration® in the Classroom: Math Made Visual lesson plan book**

The Kidspiration® in the Classroom: Math Made Visual lesson plan book supports teachers as they help students develop mathematical concepts, skills, thinking and reasoning. 30 lesson plans are included, aligned to NCTM standards and designed specifically to support K-5 math instruction using Kidspiration 3.

### Introducing Kidspiration® 3!

Grades K-5  
The visual way to explore and understand words, numbers and concepts  
Students now have more ways to combine pictures, text, numbers and spoken words to strengthen reading and writing skills, build conceptual understanding in math and develop planning and thinking skills across the curriculum.

**Adobe® Photoshop® Elements 6 software for Macintosh — Now Shipping!**

Adobe Photoshop Elements 6 combines power and simplicity so you can go beyond the basics. Make your photos look their best, share them in creative ways, and easily find and view them. Photoshop Elements also works great with iPhoto.

### Check Out Adobe® Creative Suite 3 Master Collection!

Creative Suite 3 Master Collection combines the best of Creative Suite 3 Design Premium, Web Premium, and Production Premium editions, allowing students and teachers to express creative ideas with greater speed, efficiency, freedom, and distinction across multiple media. Master Collection is a comprehensive creative environment, featuring highly integrated, exceptionally productive creative tools in one value-packed offering.

### Benefit with Cost Savings!

- Master Collection costs less than total of individual programs
- Further discounts with site licensing
- Save on trade-ups!

*K-12 School Site Licenses are available for all Adobe Creative Suite Products!*
